

OFFICE OF THE DEPUTY COMMISSIONER/CEO,
LAHDC, LEH.

C I R C U L A R

In the interaction meeting held with the Media Persons of Leh District on 23/09/2013 in my office chamber, it was brought to my notice that various departments of the district while organizing departmental functions do not invite the media people.

It is as such impressed upon all the departmental heads/district officers to henceforth invite/inform media personnel in the functions organized by them so as to highlight the departmental activities carried out in the district and for the general information of the people.
